This is perfect for the couple who would like a simple signing of the marriage certificate only. This is not a ceremony. - **The Short and Sweet Ceremony -\$200 and up**

Our most popular ceremony has been simplified and made more affordable for our clients! The Short and Sweet ceremony consists of a 10-20 minute, less formal ceremony. When we say "less formal" we mean still classy, yet not constricting or stuffy. This ceremony package is great for outdoor weddings, parks, homes, etc...While the ceremony may be short and sweet on time (in comparison to the long, drawn out ceremonies that everyone forgets about) the personal attention and quality will be top notch and memories long lasting.
