

My goal is to work with you to craft an AMAZING wedding ceremony - one filled with fun, laughter and romance.

The truth is there are a lot of people that can officiate a wedding but to truly create an AMAZING wedding ceremony — now that's a different story. The key is to find someone with the experience, expertise and passion to make your wedding day amazing.

You wouldn't hire just anyone to be a photographer or videographer on your wedding day - because you know quality matters. It's the same thing with officiants. Hire a pro with 20+ years of experience to make your wedding day, an AMAZING day!

Here are a few different ceremony options I offer :

**Midweek Wedding Special: \$350**

If you have a wedding scheduled for the midweek (Monday – Thursday) and you are looking for a Custom Designed Wedding Ceremony, you will receive a \$125 discount on your wedding ceremony.

**Custom Designed, Personal Wedding Ceremony: \$475**

This is about creating an amazing wedding ceremony, one where you'll be laughing, crying, and one that you'll never forget. I'll work with you to create a ceremony that is "all about you". This isn't about cookie cutter wedding ceremonies, I'll help you craft a ceremony that doesn't feel like your name was just "cut & pasted" into a wedding ceremony template.

**Wedding Rehearsal: \$125**

If you would like me to attend the wedding rehearsal, I'd love to be a part.

To work with your wedding coordinator — to walk through the ceremony, helping everyone feel at ease for the big day.

**Destination Weddings: ?**

At times as my schedule is open I'm able to officiate destination weddings. If that's what you are looking for let's talk and see if our schedules are able to sync.

**Pre-Marital Counseling: \$60**

I'm not a licensed 'counselor' but for the past 20+ years I've been trained working with couples in the local community. The truth is the wedding ceremony will be amazing, but more than anything I want your marriage to be awesome! And we all know 'great marriages don't just happen, great marriages are built' — they're created, and crafted.

I would love to help you two start your new life together in a solid way -- I've been using [www.gettingreadyformarriage.com](http://www.gettingreadyformarriage.com) as a resource. I'd love to help you begin your new marriage on a solid foundation.

I can't wait to work with you, helping you create an AMAZING wedding ceremony!

\_Aaron
