THE PROCESS

01

YOU'RE BOOKED!

You've officially booked me as your wedding photographer and I could not be happier! SO excited to document the love between you and your partner.

ENGAGEMENTS

02

Now it's time to plan your engagement session. I will email to coordinate a date, time, and location to do this session. Watch for an email with a style guide to help with your outfits.

03

TIMELINE PLANNING

As we get closer to your wedding date, we will want to work on finalizing your day-of timeline. I'm happy to sit down with you and help design your timeline if you don't have a wedding coordinator. I've also included some examples in this guide.

FAQ'S

FREQUENTLY ASKED QUESTIONS

When will I receive my photos?

My turnaround time for wedding galleries is 4-6 weeks with previews sent within 3-5 days after your wedding day. Engagement session galleries are sent within 14 days from the session date.

How will I receive my photos?

You will receive your photos via a private online gallery where you will be able to favorite, download, and share your images at both web resolution, and high resolution.

How many photos will be included in my gallery?

The number of images in your online gallery depends on the wedding collection you select. Mostly it will depend on hours of coverage. A good rule of thumb is to expect about 75-100 images per hour of coverage. I do not set a limit and will edit the ones that are consistent with my style and are good.

Do you help with posing?

Yes, I do! All you need to do is show up and I will work with you to pose you in comfortable, authentic, and flattering ways to capture the best angles, lighting, and the most beautiful version of you.

Can I print my photos?

Yes, you will have printing rights to the edited images you receive. I do recommend printing from a professional lab and am happy to recommend a place for you.

TESTIMONIALS

Amy is the absolute best!!!! I am so so happy with how our pictures turned out, and just how amazing she was during the whole process. From helping us plan our timeline, working with a large wedding party, making the day run smoothly, she did it all! We had rain on our wedding and Amy didn't skip a beat, she captured everything we wanted on our wedding day. She then delivered our full album just over 3 weeks after the wedding, which again is unheard of. We love her and would recommend to anyone!!!
