Photography

Let Us Freeze Moments
You Can't Recreate!

About Us

My name is Stephanie, I am a maternity and events photographer from the PNW. I am located in Tacoma, WA and service the surrounding areas.

I have been doing photography for 5 years and decided to turn laughter, fun, excitement, and EEK moments into business and BOOM - Cherished Stories was born.

I could go on to say many things about me, but it is my job to get to know you as a person and a couple and capture your life long journey of a story!
