

## PRICING & COLLECTIONS GUIDE

Thanks so much for reaching out to me for your photography needs- I'm thrilled you're here!

My ultimate goal is to capture you and your love story with your favorite person. I want to make each session to represent you two and your love. So whether that's hiking, baking together, a trip to the beach, or snuggling up on the couch- I want to capture you and your authentic selves (goofballs, jokesters, and the "but we're so awkward" included!)

Let's make some photo magic together!

xx,  
Hannah

Hannah is such a genuine, impossibly lovely soul to work with. We asked her to meet us downtown in NYC to take pictures and surprised her with a City Hall wedding - and she was a CHAMP! Hannah's got the perfect balance of professionalism and engagement - she knows when to encourage you to get the good shots, but also faded into the background and captured some beautiful candid moments. She's got such great energy, and so made us feel totally comfortable - 10/10 would work with her again!"
