

PRICING SUMMARY WEDDINGS & EXCLUSIVE EVENTS

We have a few different pricing options for private events which are dependent on your group size. We can offer either exclusive events, where you have private use of the island, or non-exclusive events, where there will be other guests on the island that are not part of your event.

Tented Exclusive Wedding Pricing Summary GUEST COUNT = 60–175 guests

Exclusive use of the island and all facilities for TWO DAYS—there will be no other guests on Island. The facilities fee is \$9,000-12,000 (depending on season*) and includes:

- Rental of the all guest facilities on the Island. The Island is open to only your guests.
- Ceremony and ceremony setup in any space on the Island. In case of inclement weather, ceremony will be held in the tent or under an eave with guests holding provided umbrellas.
- Reception held in a tent (40' x 60') erected on the main lawn.
- Set up of event space, and basic day-of coordination of rentals, deliveries, and staff.
- This fee **does not** include rental of guest rooms catering.

Important Lodging Note

For an exclusive rental, we require 100% of guest rooms be booked by your group both Friday and Saturday nights. In the unlikely event your guests do not rent all the rooms on the Island during your event, you are responsibly for any unrented rooms.

Small Non-exclusive Wedding Pricing Summary GUEST COUNT = 35-60 guests

- Ceremony and ceremony setup in any space on the Island. In case of inclement weather, ceremony will be held in the Ice House, Mrs. Stout's Room, or under an eave with guests holding provided umbrellas.
- Rental of event space. Reception celebrated in the rustically elegant Ice House (1,000 sq ft, 60 seated capacity) or in Mrs. Stout's Room (475 sq ft) (24 seated capacity).
