Welcome!

We are Daniel and Valentina, a couple of wedding photographers based in Italy. We are storytellers and adventurers with a love for beautiful love story. We have two huge hearts for filling up with happy moments like your memories! We are so glad that you found us and because we believe that getting to know our clients is the #1 way to ensure an awesome experience, we'd love to tell you just few fun facts about us!

In 2015 we went to Australia for a wedding where we lived one year
We worked together since 2004 but only in the 2012 we founded our first company: SugarCookies Photography.
We live in a farm in the country with lots of animals.
Our first pet adopted was a goat called Carlotta, our last a cat named Poldo.
Our favourite photographer is Jose Villa.

THE WEDDING EXPERIENCE

We truly believe that in addition to beautiful images, you also deserve an amazing photographic experience. Working with fun-loving and joyful couples sets our souls on fire and we have the best time keeping the experience light, relaxed and full of personality.

The relationship we get to build with our clients from the first email, to engagement session to the wedding and beyond is truly amazing. To know the backstory of two people madly in love and document their journey simply allows us to capture our friends getting married.

Best. Job. Ever.

THE WEDDING EXPERIENCE

ENGAGEMENTS :

We are more than willing to travel for engagement session!
We love it when our couples chose a location that means something special to them!
Travel within a 50 km radius Perugia, Umbria, is included.
An addition will be applied for travel outside this area.

We average 1500 images on a wedding day.

DIGITAL FILES :

We love delivering the images quickly and easily via email.
You will have the ability to print, share and download your images as much as you want. We believe in freely sharing our work with all your guests!

COVERAGE :

We are often asked if 8 hours is enough time to capture the full wedding story and the answer is YES! The main goal right now is securing and saving your date. You can always add additional coverage as we get closer to your big day and we have a good idea of your timeline.

SHOOTING STYLE :

We love being both interactive and discreet throughout the wedding day. There will be parts of the wedding day when we will need to be in control in order to accomplish everything that needs to be done while staying on schedule. There will also be moments when you shouldn't even know that we are there. We teach our couple how to pose, model and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instructions from us.

BOOKING :

Once we have answered any questions you may have and you have decided that The Wedding Experience is exactly what you're looking for, the next step is a booking proposal.
We will create an email proposal that will walk you through the package and when you're ready you can save your date by signing your contract and paying your deposit online.

LEGACY ALBUMS

A sweet couple from last year said us that if their house was on fire they would grab the son, the dog and their wedding album. Could we always build another wedding album if something happened to this book? Yes. However we think that there is something special about creating your first heirloom. Having digital images is wonderful, but having a printed keepsake that tells a visual story of your wedding day is priceless! If you haven't already invested in a Legacy Album of your own, you can always come back to us at any time and order one. We aren't a photography business that pushes product sale at all. However, these albums are important not just for our couples to have...but for their grandchildren to enjoy as well.

ARTISAL ALBUM OPTIONS (all hand made in Italy)

Simple Album 25x25 or 20x30cm, 30 pages - € 600

Deluxe Album 30x30 or 35x25cm, 30 pages, photomatte paper - € 1000

WHY INVEST?

Your first decision as an engagement couple is to set priorities for your wedding planning. You have to decide what you value most. Is it the dress? The food? The venue? As a couple and photographers, we believe that couples should make their photography a top priority. After the big day is over, you will leave your reception with a spouse & your pictures...that's it! All of that planning and preparation is over in a matter of hours!

So if you're choosing to invest in high quality photography, those images deserve a classy, elegant home after the wedding. We offer high end, made in Italy albums for our clients. The images are printed straight onto the pages and the covers are wrapped with top quality fabrics. This is the perfect ending to The Wedding Experience and it's a keepsake that you will be showing your children and grandchildren one day!

YOUR ONLINE GALLERY

Years ago you had to order prints of the images that you wanted to have forever. That isn't how we work around here! We want you to have ALL of your memories in your possession forever and ever! We also want you to share your images freely and without any hesitation. That is why we deliver your images via an online gallery! This means that you don't have to wait on a package in the mail, and you'll have access to them wherever you are! We've listed some important information that will help you understand your online gallery and that it can do on the next page! Enjoy!

DOWNLOADING PHOTOS:

You will be able to download your edited images directly from your online gallery, and they will be high resolution! This process is very simple! You can download a single image or the full album in high resolution or in low resolution. Your photos will download directly to your "Download" folder.

GALLERY EXPIRATION:

We have great news! Your gallery will not expire for 10 years! Isn't amazing?! You will have kids running around everywhere before your wedding gallery expires! However, even though you will have access to your images for a long time, we would still recommend downloading them and saving them in multiple places for safe keeping!

SHARING, WATERMARKING & EDITING:

You have the freedom to share your images in any way that you choose! These are your images and we want you to love them so much that you can't help but share them! We don't believe that it is necessary to watermark our images. All we ask for is some type of credit whenever you use an image on social media. In this way you have the power to help us to grow our business and serve more couples.

THANK YOU

Last, but certainly not least, THANK YOU!
We are so glad you contact us!

We would be so honored to be the ones
capturing your memories!

Love, Daniel & Valentina
