ON-LOCATION BRIDAL SERVICES

Your wedding day is the most important day of your life and planning it is not always easy. Take one thing off your list and let me and my team take care of your makeup needs.

Nelly did makeup for my wedding on Saturday and she did a wonderful job! She was professional, fun, and easy to work with. I had a wonderful experience working through the pre-wedding items with her, and found her to be very professional and timely in her responses. Also I was undecided on what look I wanted. She made great recommendations based on my skin tone and coloring. She was so much fun to have around while my bridesmaids and I got ready and all of our results were beautiful! I very highly recommend this business.

ON-LOCATION BRIDAL SERVICES

At Voyage de Splendeur, we have plenty of experience doing bridal groups both off site and at the spa. We specialize in Airbrush Makeup, using the latest technology and high quality products. Additionally, we use various brands so that we can work with the best product in each category.

When booking with us, the bride gets a special gift containing the lipstick chosen at her trial, along with other things that will help maintain that fresh look throughout the day.

As a bonus, since stress can affect the way your skin looks and behaves, we offer our brides a discount on a 60min Balance Treatment for use before or after the wedding.

We want you to look your absolute best on that special day! Trust us, you won't be disappointed. If you need help with finding a hairstylist that is experienced in weddings we work with two amazing ladies that will take the stress out of worrying about your hair too!

If I could give Nelly 6 stars (out of 5), I would! She did my makeup on my wedding day and made me feel like a princess. She also did the bridesmaids makeup— we all felt like a million bucks. The makeup she uses is so light and breathable, yet she was able to cover up all my blemishes. And the makeup stayed on for hours and hours; it even stays on when you sweat. Whether it's your wedding day, prom, or simply a fun night out with the girls, go see Nelly!!!
