

Pastor David Sweet, wedding officiant

My base price for a typical ceremony is \$200.

I add extra for time on the road from my home. (I'm essentially in extreme south Austin) especially if there is traffic to negotiate.
(weeknight)

So for example a wedding in Georgetown area is usually about \$300 total, and a wedding as far as Fredericksburg is usually about \$320. The same for New Braunfels or Bastrop. Mid-town Austin my charge is usually around \$250-280.

A wedding within 10 miles of me I usually charge just \$200.

I charge a little less if the ceremony is super-simple. (i.e. no wedding party, etc.)

Please call and let's chat about what you want to see if I'm a match:
