Cheers to you for seeking the good with Good City Hall for your upcoming event! Thank you.

### ABOUT GOOD CITY

Good City Brewing is an urban production brewery, taproom and event space. We opened our doors on June 17, 2016 and within a year expanded to add a roof deck and Good City Hall, a go-to urban event space on Milwaukee's East Side.

Good City is built on the conviction that everyone should live life as if they have been granted a key to their city. To have a key is to Seek the Good as a friend and ally of your local place. For us, this means pursuing excellence in everything that we do. From brewing beer to creating delectable food from scratch and hosting events that inspire others to live with a key and participate in Milwaukee's resurgence.

We look forward to helping you Seek the Good with your event at Good City.

Cheers!

### FAQ CONTINUED...

#### **Since you have delicious in house catering, when do we get to try the food?**

We understand the importance of creating the perfect menu, so we want you to be completely confident in your selections. Therefore, we host several Wedding Showcases throughout the year. At the Showcase we will have a sampling of our menu and a beer tasting. You will also get to meet with other couples and ask any additional questions regarding your wedding. After the Showcase you will have a wonderful idea of our menu and be ready to place your food order.

If you have already booked with Good City, your tasting is complimentary for two guests per the contract. If you want to try the menu prior to booking, it is \$25 per person. Should you proceed with the contract, we will absorb the tasting price into your event balance.

#### **Tasting Showcase dates:**

The 2nd or 3rd Wednesday in April, July and October.

Your Event Director will reach out with more information closer to the Showcase dates.

We suggest attending a showcase at least 4-5 months out from your date, just before formal invites are printed and sent.

#### **Special Menu Requests:**

The menu on the next few pages is designed to give you a taste of what Good City can offer. Have something else in mind? Our Chef welcomes the opportunity to design a custom menu based on your vision, traditions, favorites or something you believe would be a perfect fit. Childrens' and vegetarian menus are available and we are happy to work with any dietary needs you or your guests may have.

#### **Multiple Entree Dinners:**

Should you prefer more than two entrees, additional choices are available at \$5.00 per person based on your final guest count (special needs menus, vegetarian and children choices are exempt). Should you host more than one entree as a plated option, a simple method of guest menu selection identification (i.e. color coded place cards) is required to ensure a smooth and accurate plated guest service.

Please be accurate on your guest count. Your final count is due no later than 14 business days from your event for food ordering and staffing purposes.

## YOUR TAPROOM IS WONDERFUL! WHAT ARE MY FOOD OPTIONS?

All of our food is made from scratch onsite and is overseen by our Brewery Chef Guy Davies. As a native of Australia, Guy has traveled and cooked around the world. His wanderlust came to an end when he visited and fell in love with Milwaukee several years ago. Guy put down roots in Milwaukee and has cooked in many of Milwaukee's best known restaurants.

### BAR PACKAGE: \$28/person

Good City is an award winning brewery with a national reputation. Everything is brewed on site, and we want you and your guests to have the opportunity to try all of our beers straight from the source! The Bar Package includes up to 8 Good City beers, soda and coffee during your contracted rental time (7 hour maximum rental). If you choose not to host our bar package, you are still subject to the food and beverage minimums and service charge.

### GOOD CITY BEER SELECTIONS

#### **RISK | IPA • 6.5% ABV**

After 4 pilot batches of this recipe we knew it was time to stop talking about opening a brewery and actually start taking a risk. Brewed with only pale ale malt for a very dry and cleanly malty undertone. Simcoe and Centennial hops lend a very balanced profile tending toward pine and citrus. Take a risk on the things that are important to you. Seek the Good.

#### **MOTTO | MOSAIC PALE ALE • 5.2% ABV**

We knew what kind of beer we wanted to be about and went to great lengths to source the hop to make it happen. The result is a single malt/single hop brew with Crisp Pale Ale malt and Mosaic hops. Character of juicy tropical fruit and resinous pine undertone. Stand for something. Seek the Good.

#### **DETAIL | PORTER • 5.4% ABV**

Our head brewer, Ray, pored over the details as both the architect of this recipe and as an architect in his former life before Good City. A classic Robust Porter with a clean and balanced roasted malt profile, right down the middle between chocolate and coffee-like. Get lost in the details that matter. Seek the Good.

#### **REWARD | DOUBLE IPA • 8.5% ABV**

Winner of the 2017 National Imperial IPA Championship, Reward is the bigger and very different brother of our Risk IPA. Reward features a dry malt profile and Citra, Amarillo and Eureka hops. The result is a dank hop aroma with tropical fruit and distinct pineapple character backed up with a floral/tangerine hop flavor. The bigger the Risk the greater the Reward. Seek the Good.

#### **GOOD CITY PILS | PILSNER • 5.2% ABV**

A fresh take on a style that Milwaukee was built on. Brewed with classic Bohemian lager yeast and US Pils malt for a crisp, clean tone that is light-colored and light-bodied. Assertively hopped with German Tettnang and Saphir hops. Know where you come from and where you are going. Seek the Good.

\*Additional seasonal offerings may be available. All beer selections for a specific event are subject to availability.

Cash bar and per drink consumption is also available.

Please see our beverage policy on page 14 for additional information on our policies and outside beverage service options.
