NICE TO MEET YOU

PHOTOGRAPHER. DAD. HUSBAND.

HI, I'M TYLER

A WEDDING & PORTRAIT PHOTOGRAPHER
BASED OUT OF ROANOKE, VA.

I love what I do and am obsessed with capturing moments that are timeless and tell a story. My goal is to have you look back on your memories in 20 years and be able to re-live the incredible adventure that they have brought you and your family. We take prefer to take a documentary approach throughout the day, capturing candid moments and the real-ness of it all. While this true for most of the day, there are parts where we may need to jump in and direct a bit (sometimes if a couple needs some help with posing during portraits, family formals, bridal party, and sometimes just getting to a place of feeling natural in front of the camera). We always say that "what's important to you is important to me"; what we mean there is that some clients couldn't care less about the stationary details in the morning and having a photo of the dress while others love that stuff (just one real example we run into often)! We work together closely prior to the wedding to find out what those important things are (via a questionnaire) to make sure they get captured! We also love to travel but are increasingly loving the events we've been able to capture that are closer to home ever since we found out we were expecting our first son, Eli!

"FELT LIKE WE WERE JUST HANGING OUT WITH A FRIEND"

We worked with Tyler for our wedding and engagement pictures, and it was such a great experience! He is truly a joy to work with. We were very worried about being awkward in front of the camera and he completely put us at ease. When we were shooting it really felt like we were just hanging out with a friend. The pictures he took of our day are absolutely STUNNING!! He did such an incredible job of capturing our personalities, and all of the moments (big and small) that made the day so special. Thank you so much, Tyler!!!

"PHOTOS HAVE A
TIMELESS FILM
QUALITY TO
THEM"

Tyler and Ashlie were both kind, calm, and supportive on our wedding day, and the photos we have seen so far are all amazing. Tyler kept things on schedule and gave helpful instructions. His photos have a timeless film quality to them. We loved working with them. The engagement shoot was also fun and the photos turned out really well - highly recommend.

FREQUENTLY ASKED

WHEN WILL I RECEIVE MY PHOTOS?

You'll receive a sneak peek of a few photos within 24 hours of your day (I know you're anxious to 'gram!). For engagements, photos are delivered within 2-3 weeks. Weddings are delivered within 3-4 weeks.

DO WE NEED AN ENGAGEMENT SESSION?

This is up to you, but I totally recommend one for a few reasons! First, my style of photography works best when we've gotten to know each other. An engagement session is the perfect time for us to hang out & spend time together before your day! It's also a great way to get comfortable in front of the camera, and practice makes perfect. It's totally natural to feel a little bit nervous/awkward when you're not used to having your photo taken, but your engagement session will make you two pros by the time the wedding rolls around!

HOW MANY IMAGES ARE INCLUDED?

You can expect to receive 50-75 final hand-edited images per hour of coverage! After your wedding day, I'll remove any photos you wouldn't want or need (people blinking, blurry, etc) and edit & deliver the rest! Don't worry, I won't withhold any images I think you'll want.

DO YOU GIVE US THE RAW PHOTOS?

Nope! I don't send any un-edited/raw files! Most of the magic happens during the editing process, so without that step your photos are only halfway done!

WHY INCLUDE A 2ND PHOTOGRAPHER?

While I'm confident in my ability to shoot all of my weddings solo, I recommend second photographers for larger weddings, or when couples are getting ready separately and the timeline doesn't allow me to be with them both. They can provide another perspective to your day and an alternate angle of every situation! We can chat more about this option on a consultation call.
