GUIDE

IT'S
ME,
HI

Megan Miller

Doctor's say I was born with a camera in my hand.

I'd like to say my kids jumpstarted my love for photography. I caught all the candid moments of them. That's when I realized I wanted everyone to have their own candid moments for themselves.

Candid moments are my specialty and I hope to deliver those to you on your special day!

FREQUENTLY ASKED QUESTIONS

Are engagement sessions included in your packages?

They are! This is a good way to see how good of a match we are! You will get sneak peeks the same day and an online gallery by the end of the week!

How long until our photos are delivered?

Your gallery is typically delivered to you in 5-7 business days. I like to take my time and edit those special moments but not have you waiting a crazy time.

Can we select the location?

Absolutely! I want you to be completely comfortable when we are taking your special day photos. If you're stumped on where to go, I will find a location that fits your budget for you.

Are second shooters included?

No. I will be the only photographer at your special day!
