Your Wedding Session Includes:

Every couple's "Dream Wedding" is unique. Through my experience, I have found that MOST Formal Weddings need a minimum coverage of 8 hours to truly capture your special day from start to finish. But I also realize that there are those whose "Dream Wedding" is not so formal yet beautiful and have their own unique needs. I offer services from Justice of the Peace to a lake home social event to a 10-hour / 2-day event. Everyone's needs are exceptional. The Wedding Session below encompasses the cost and services provided for an 8-hour Formal Wedding. Please contact me directly at 952-412-9332 to discuss what your vision of a "Dream Wedding" is and I can custom tailor a package that fits your needs PERFECTLY.
