ht-salon.com 678.691.9028

Achieve the look you imagined when you feel pampered by experienced wedding professionals. Your wedding party will look spectacular in your wedding day photos.

OUR GOAL

- To help each guest look their prettiest on this special day.
- To be known as a reliable, professional wedding-look team offering a positive experience for all wedding party members.

HOW IT WORKS - WE START WITH A CHAT!

- Set up a call or in-person consult to make sure we are a fit.
- Fill out a "Save The Date" form. This reserves your wedding date on our calendar. No deposit is due yet.
- Look for hair & makeup inspiration photos that have a "like" hair color to yours. For makeup, look at the color tones on the model.
- Schedule the hair and makeup trial around the time of the final dress fitting. (Typically, 2-3 months prior to the wedding)
- Complete a Wedding Information form so we schedule adequate staff for your wedding day services.
- 30 days before the wedding day - Sign a contract. Deposit is due for 50% of the contract total.
- The remaining balance is invoiced a few days prior to the wedding. Payment is due by the wedding day.
