- ★ No more than 6 weddings a month, I am dedicated to at least 40 hours into each wedding I produce.
- ★ It's all about YOU and your GUESTS. I play to the crowd and am an expert at reading the dance floor. More than happy to take requests, and honor your do not play list too.
- ★ Details, Details, Details. With over 600 weddings produced, I know all the little things to plan for and prepare. I'm working in the background making sure everything is ready to go before announcing it to your guests. From tying the flower girls bow, clearing the head table for toasts, making sure cake cutting tools are there. If I see it, I fix it! It's the little thing that can really make the difference!
