

Elizabeth Nida Photography

Minnesota Wedding Photographer

Elizabeth's goal is to keep her wedding packages and pricing as simple and affordable as possible.

Elizabeth Nida Photography pricing starts at \$625.00 for one hour and builds from there, depending on the wishes, needs and budget of her clients.

While each celebration is unique, an example of a typical wedding might include photographs of the clients getting ready; first seeing each other; formals; ceremony and reception. Clients have the freedom, of course, to hire Elizabeth Nida Photography for the duration that meets their goals and vision.

Wedding photography prices include Elizabeth's time taking and editing images, travel within Rochester, MN and a wide variety of both the color and black and white digital images on a storage device. She is available for all travel.

While some photographers retain exclusive rights to their images, thus charging the client per print order, Elizabeth grants the client equal ownership to share and distribute the digital images freely – for non-commercial purposes and personal use only, please – as the client would like. Elizabeth does retain the right to use the images for advertising and promotional purposes. The client directly handles any prints or reprints.

Please note all details, such as specific hours and timeframe, do not need to be solidified at the time of booking but will be of importance in the weeks and days leading up to the event. Down payments are due within three weeks of verbal commitment to secure the date, with the completion of payments due the day of the event.

Please contact Elizabeth at (507) 358-1464 or elizabeth@nidaphoto.com with all inquiries.

Thank you.
