

Hello. Thanks for your inquiry!

If you haven't had a chance to go onto our website: www.shootingstareventgardens.com or if you have and haven't gotten enough information from it, please either call me at 206-595-5554 or email me at marylou@shootingstareventgardens.com.

In the meantime, let me tell you about our venue. We only book 1 wedding a day. Our venue price is for 10 hours a day. Should you wish more, you may rent additional hours at \$125/hour. It is rare that you would need this extra time, but it is your choice.

What is included: You have the use of our extensive grounds and gorgeous gardens for both your ceremony and reception. There are several locations for the ceremony and you may use our elegant black wrought iron 6 foot wide arbor where ever you decide to have your ceremony on the premises.

Also we have a dramatic 30X60 white wedding tent in which to get married in or not, and to have your reception in as well. Depending on how many guests you invite, they will all fit under the tent but we allow tables to be spread beyond for those sun worshipers as well.

We set up and tear down all of the tables and chairs. We have enough tables to seat up to 175 people and 200 chairs. We also include tables for the guest book, cake, DJ and caterer(s) if needed. We have a beautiful bar for the bartender. In addition, there is a built in buffet counter (18') that is covered with ambient lighting and electricity for your hot plug in items. This is located on a stone patio adjacent to the tent area. You may self cater, use one of our preferred caterers or use a caterer of your choice.

There is ample parking and an attendant to help with the efficiency of parking.

Our dance floor is strategically located in the tent. We allow the use of our incredible sound system should you wish to use it. DJ's are allowed.

There are changing facilities for both bridal parties, tons of photo op opportunities, the use of our wrap around porch and back deck. We have put in beautiful ambient lighting on the perimeter of the tent, on the pergola, potting shed, buffet counter and assorted other outbuildings.

The rates for 2016 are as follows:

May/Oct: Fridays/Sundays - \$3200 and Saturdays \$3500.

June/July/Aug/Sept: Fridays and Sundays \$3500 and Saturdays \$3700.

In addition, what you are really going to like is that I am at your every beck and call for the entire day. We aim to make this wedding day everything that you have dreamed of.

I hope that this gives you an idea of what we have to offer. Hopefully I have answered your questions, but if not, please don't hesitate to call me anytime. [206-595-5554](tel:206-595-5554) Please connect with me if you would like to see the venue first hand.
