weddings & events

Whether it's buying in bulk, working with local gardeners or cutting straight from our farm, we are dedicated to getting the best blooms for your big day. Florals help set the tone for your wedding, add depth and texture to photos, allowing each moment to last a lifetime. We are honored and excited to create floral magic that fits you and your style perfectly. From our Heirloom to Market packages, we understand that florals play an incredibly important role in your big day. Depending on the package you choose – we have packages starting at \$300 – we can be as involved as you want. Continue to read about the packages and services we offer.

HEIRLOOM PACKAGE / starting at \$300

Perfect for small celebrations, showers, intimate ceremonies or for couples who want small floral details to their big day. Planning an elopement or intimate ceremony? This is the package for you!

GREENHOUSE PACKAGE / starting at \$600

Our Greenhouse guests tell us the style and tone for their wedding, where they want their flowers, color palate, in addition to their budget. After that, we use that vision and create what I like to call, floral magic. This package is ideal for couples wanting several bouquets or floral arrangements for guest tables. Two face-to-face meetings (in person or via Facetime for destination couples), one on-site walk through at your venue (location dependent), delivery and set up are included.

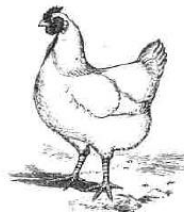

MARKET PACKAGE / starting at \$1,000

This is our premiere package for couples with floral dreams. Give us your vision for your big day and we'll use our creative style to make that vision an incredible reality. This full-service option includes everything floral, from bouquets to ceremony & reception florals as well as two face-to-face meetings (in person or via Facetime for destination couples), one on-site walk through at your venue (location dependent), and full delivery/ set up services at the venue on your wedding day. It's our job to make sure that no stem is out of place and every floral detail is precise.

We are located on the Olympic Peninsula, but travel is always an option and often what we enjoy most! Delivery and set-up services are included in every package; however, travel fees are location dependent. We'd love to work with you on your upcoming wedding or event. Please download the form below, send it to us and we will touch base within 24 hours.
