Testimonials

“Amanda and her husband did a fantastic job with photography for our Tiki themed wedding. Leading up to our day, Amanda responded quickly to our text messages and emails to discuss our vision for how we wanted our engagement and wedding photos to look. This helped us to easily create a clear timeline of when, where, and of whom to take photos on our wedding day. On the day of, Amanda and her husband were well-prepared and captured all family and friends of whom we asked for in addition to the smallest of details most unique to us. When our engagement and wedding photos arrived, we could not have been happier as they are absolutely beautiful. Without a doubt we would go with Amanda again and would highly recommend them to any of our friends or family.” -Lauryn

“Throughout the wedding planning process, I had one thing I wanted, photos in the mountains. After all my locations and vendors closed down, I found Amanda. She made my moody forest wedding photo dreams come true. Not only does she already have great affordable wedding prices, but she also creates a personalized plan of what you need/want. Additionally, her response time was outstanding. If that doesn't interest you, her amazing personality during the photo sessions will. She was bubbly and all my guests loved her! She made everyone feel very comfortable in front of the camera. My wedding photos are gorgeous and I am so happy with them. 1000% would recommend for any of your photography needs.” -Kristin

“Amanda is absolutely AMAZING! We were planning my son's wedding and came across Amanda's website, amandacaitlinphotography.com and fell in love with the vibe of the pictures. We made an appointment to meet up and discuss my son's and now daughter in law's vision of what they wanted for their wedding. Not only did Amanda capture those once in a lifetime moments she cough those intimate heart warming pictures. You can tell she pours her heart into her finished product. Amanda is very easy to work with, kind, professional and fun. Most of all she made my son and his bride feel like the most important people on their once in a lifetime day! I will use Amanda over and over!! Thanks for capturing those special moments the entire day!!” -Martin

“I love Amanda's photography style. That was what drew me to her in the first place. Her photos are moody and romantic! My husband, family, and I felt comfortable with Amanda and her second shooter on our wedding day. Wedding started a bit late due to a friend, and she was super flexible with our time table. We love the finished album and would recommend her to anyone.” -Amy

FAQs

We are ready to book, now what do we do?

Woo! I am SO excited!! In order to lock in your wedding date, I require your contract to be signed and returned as well as a 35% nonrefundable retainer of the total collection price. The remaining balance can be paid in payments or in full, but the remaining balance is due 1 month prior to your wedding date. One less thing you will need to worry about on your wedding day!

Do you photograph LGBTQ+ couples or families?

Heck yes! I am sorry it is even a question. I full heartedly support LOVE between ALL couples and families.

How long will it take to get my photos?

Sessions will be delivered in 6-8 weeks and Weddings/Elopements will be delivered in 10-12 weeks. Within 2 weeks of your session or wedding you will receive edited sneak peeks!

What is your photography style?

I shoot in a combination of traditional, timeless photos intermixed and movement and candid. I will follow you through the entire session and capture the moments as they unfold. I will work to get the shots you've dreamed about as well as those fun in between moments!

What do we wear??

Do not worry! I am here to help ease the dreaded "but what do I wear!?" moment. I can help with outfit coordination based on your session type and location.

What if I do not download my photos right away? Will we have to pay to reopen the gallery?

All galleries will remain open, so no need to worry! You will be able to download or order prints again and again.

Do we have rights to our photos?

Yes, you will have personal printing rights to the photos you receive in your gallery. I, as the photographer, retain the copyrights to all images I take (RAW files) and produce (delivered jpegs).

How many photos will we get?

I do not like to put a minimum or a maximum, but I promise to deliver the best of the best! My average amount of photos delivered range from 150-200+ per hour.

Can we get the RAW files?

Short answer, no. Long answer, I do not deliver RAW files as they are not an accurate depiction of my work. You would not expect to receive an undercooked cookie, you want that thing perfectly baked ;)

Do we get to pick which photos we want?

Going along with not viewing or receiving the RAW files, I hand select the best images from your session or wedding day and then I hand edit every

single photo you will receive. There will be a mix of artistic and traditional shots included in your gallery.
