*Thanks for your inquiry!
I can't wait to get to know you better*

THANK YOU

HEY! I'M JAIME.

I'm a wedding and portrait photographer based in Lake Tahoe, but I've been fortunate enough to travel to some of my favorite places on earth to photograph weddings and families.

I graduated with a degree in Art and Design from Cal Poly, San Luis Obispo.

I will try to get you to climb on rocks, over fences, get knee high in the water and roll in the grass if you will let me.

I want to make portraits of you that are beautiful and real.

I follow the light.

I will do everything I can to make you feel comfortable in front of my camera.

I think I'm hilarious.

I can wrangle a bridal party that has been drinking since breakfast just as well as I can be invisible when I need to capture a quiet moment.

I've won awards and been published on several blogs and in print, but the biggest compliment that I can receive is making my clients happy.

I can't wait to get to know YOU better! Thanks for stopping by!

CHOOSING THE RIGHT PHOTOGRAPHER

Your wedding day is quickly approaching, and all of the details are starting to fall into place. You might be feeling overwhelmed, but I'm here to help!

One of the most important decisions you can make is deciding on a photographer for the big day. With so many options out there, I'm honored that you have considered me to document your wedding.

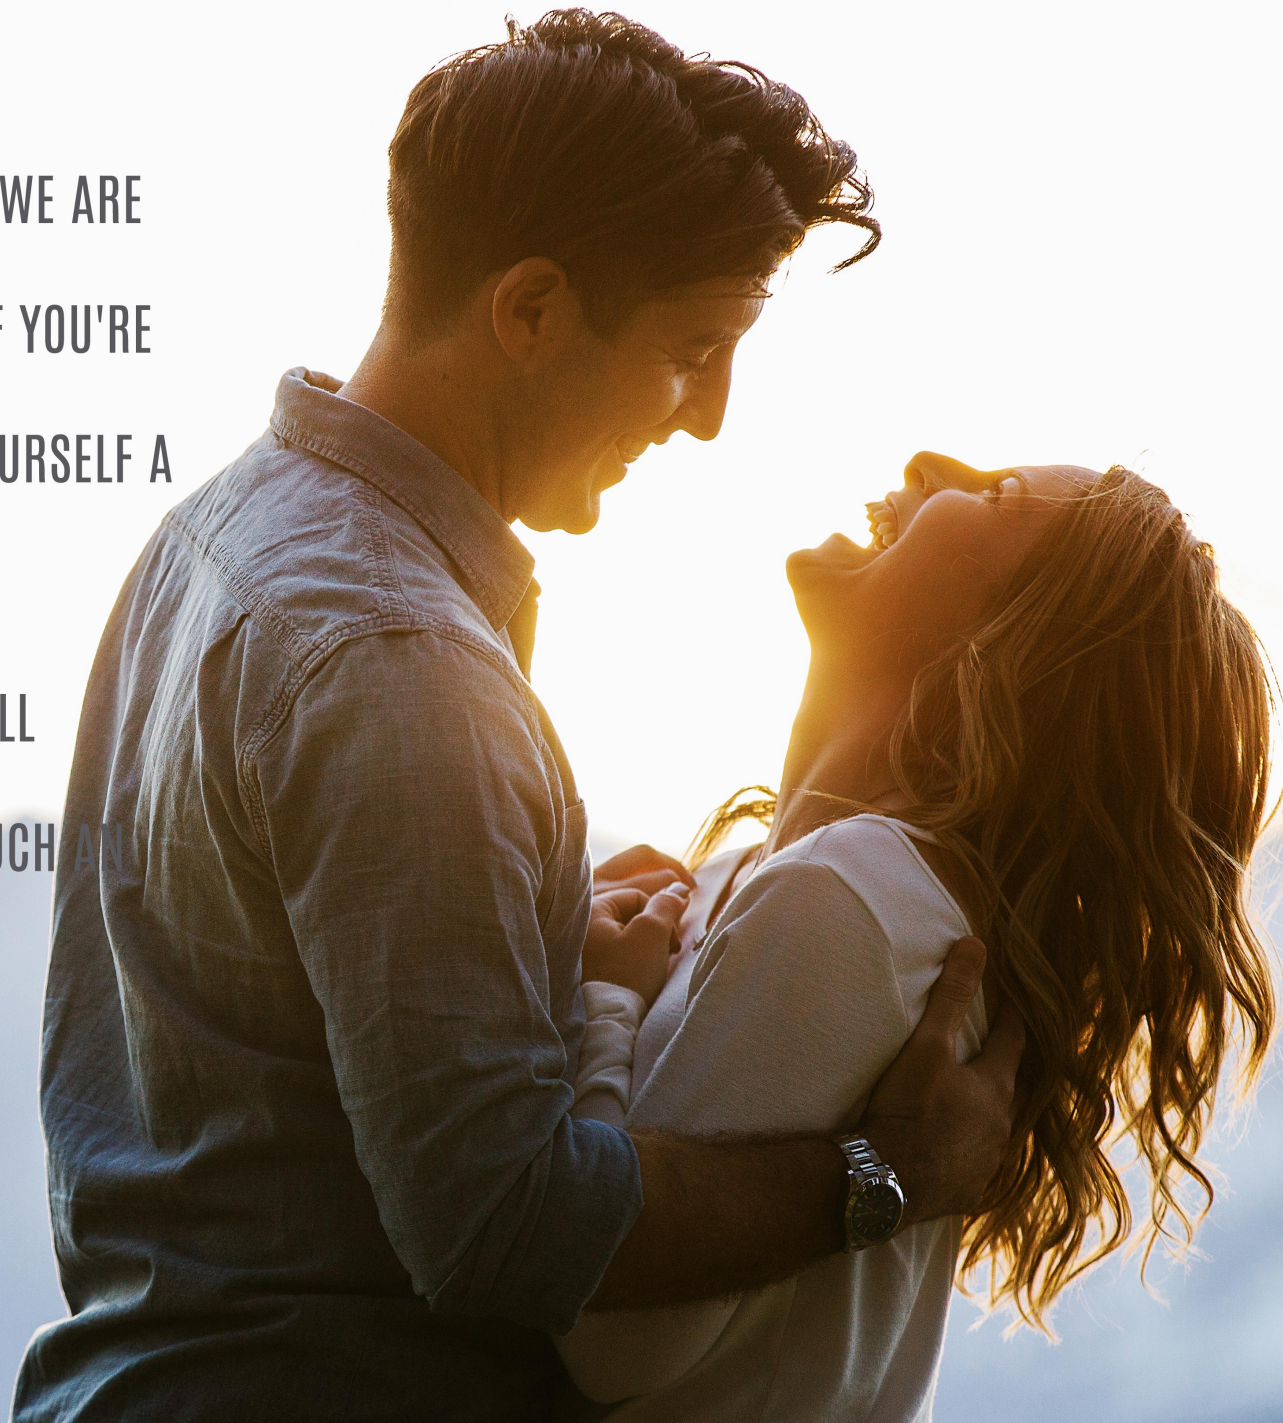

Snapping a photo is easy, but directing a client and leading them confidently throughout their shoot is something entirely different. This is something I not only strive to do - I guarantee it with each and every client who graces the front of my cameras. I work with each of my couples individually to create a fun and relaxed environment to be photographed in.

My goal is to be there every step of the way as I capture your story. From the initial consultation to handing over the final, printed pieces from your session, I will guide you through an experience that is memorable for years to come.

Congratulations on this exciting time of your life!

“WORDS CAN'T EXPRESS HOW GRATEFUL WE ARE THAT WE LUCKED OUT BY FINDING HER. IF YOU'RE GETTING MARRIED ANYTIME SOON, DO YOURSELF A FAVOR AND BOOK HER NOW! THE PHOTOS PERFECTLY REPRESENT OUR DAY AND WE'LL TREASURE THEM FOREVER. JAIME HAS SUCH AN EYE FOR FINDING THE RIGHT MOMENTS.”

FREQUENTLY ASKED QUESTIONS

Q: WHAT SETS YOU APART FROM OTHER PHOTOGRAPHERS?

A: I take all of my photos in intimate, relaxed settings and try to use natural lighting as often as possible. My sessions are candid & fun! Instead of being intrusive, I allow the couple to engage with one another as they would on a regular day.

Q: HOW MANY PHOTOGRAPHERS WILL BE THERE AT OUR WEDDING?

A: Most of my wedding collections come with two professional photographers.

Q: DO YOU EDIT ALL THE IMAGES BEFORE WE GET THEM?

A: Yes, I do. Each image is hand edited without batching in bulk or mass-producing the results. I select a handful of images to present in black and white as well. In addition I select 80-100 images which I consider the portfolio of the wedding. This collection is included in your slideshow and has been given a little more love and attention.

Q: DO YOU PHOTOGRAPH ELOPEMENTS?

A: Of course! Depending on availability and the number of hours you have set aside for photography, I have special rates for weekday weddings and elopements. I love the intimate setting created between a couple as they exchange vows in an alternative fashion.

HAVE MORE QUESTIONS? SEND US A MESSAGE!

Q: WE'RE HAVING A DESTINATION WEDDING. DO YOU TRAVEL?

A: Yes! I love destination weddings and have been lucky enough to travel all over the world shooting weddings. Send me more information on your travel plans, and I will create a custom wedding collection to suit your needs.

Q: DO I HAVE TO ORDER PRINTS THROUGH YOU?

A: I highly recommend ordering prints through my professional vendors, but it is not required. The difference in quality is huge when it comes to ordering through a professional lab, so I encourage clients to let me help with prints!

Q: HOW MANY IMAGES DO WE RECEIVE?

A: The amount of images in your collection depends on several factors such as number of guests, number of family portraits, and events you include in your wedding. On average I deliver around 100 images per hour.

Q: WHAT HAPPENS IF YOU CAN'T MAKE OUR WEDDING?

A: It would have to take something major for me to not be able to make a wedding. However, in the unfortunate even that it happens, my second photographer is always capable of photographing a wedding on their own. In addition, I belong to several professional organizations which can be contacted to find you another photographer to take my place.

Q: WILL WE GET THE PRINT RELEASE TO OUR PHOTOS AFTER OUR WEDDING?

Yes! Upon receiving your images, you will also get a full print release.

HOW DO WE RESERVE OUR WEDDING DATE?

A 50% deposit and signed contract is required in order to get your wedding day on the calendar. Two weeks prior to your wedding, the remainder of the balance is due.

PRESERVING YOUR MEMORIES

ALBUMS:

ARE THEY REALLY NECESSARY?

It is one thing to view your digital photos on a computer, but it is something entirely different to see, touch, and flip through pages filled with hand-picked images from your wedding day. You can include your wedding, engagement session, bridal session, and day-after session in your album! This is a great way to entertain guests in your new home (albums also make perfect gifts for the in-laws, hint hint).

THE PROCESS:

Designing your album with is really easy! To keep the process as smooth as possible, I start off by selecting images that best tell the story of your wedding. From there, I'll design your spreads and send the mockups over via email. You will have the chance to make three rounds of edits to the design. Additional edits are charged accordingly (ask me for more details if you have questions about your album).

DETAILS & TIPS:

Please be as specific as possible with your requests. If there is a photo you'd like to be replaced, please provide a link to the preferred photo from the photo galleries.

**There is a two month window to make edits after the initial design is sent over.*
