Day-of-Wedding Coordination

Honestly, this service is a life-saver! If you DIY-ed all of the elements of your wedding day celebration but now need a professional to review the plan and ensure flawless execution, we created this option with you in mind. Starting a month before the wedding day, you get to have a professional identify any overlooked elements and review your plans for quality guest experiences. When we step in as concierge, we become “communication central” for vendors and family/friends with tasks, taking over the mental load. We ensure everyone is on the same page so your day unfolds as you imagined.
